Dear Parents/Guardians,

Now that the school year has come to an end and that the warm weather is approaching, this can only mean one thing: summer has officially begun! On behalf of the entire Smiley Bunch team, we would like to welcome you to our camp family! We cannot wait for all of the fun, laughs and memories that this summer will bring!

The coordinators for Smiley Bunch (pre-k, kindergarten and Grade 1) are **Anna Nini** and **Daina Fonicolo**. With several years of camp experience under our belts, we will ensure that your children have a great summer filled with fun activities and exciting theme days!

We are excited to meet your children and get to know them on a personal level through the games, songs and other activities that we have planned for the summer. We hope to discover each one of their individual gifts and talents. We hope that you will collaborate with us in ensuring that your child arrives on time (9am) at the center, which will be located at East Hill Elementary School (we ask you to please use the gym entrance when bringing and picking up your child). Every day, all campers should bring with them a healthy lunch with many snacks (peanut free), plenty of water, a bathing suit and towel and of course a cap and sunblock (at least SPF 30).

Important: We also ask that your child bring a Ziploc filled with a change of clothes that we will keep at the center with their name, group and telephone number on it. This bag will be returned to you at the end of the summer and is only used in case an emergency occurs.

If you have any questions, comments or concerns, please do not hesitate to call us at 514-894-9816. It will be our pleasure to help you so that we can all have a SAFE FUN summer!

ANNA NINI & DAINA FONICOLO

WE DISMISS OUTSIDE AT 4pm!

In order to facilitate the dismissal of the campers, we ask that you please respect this time and wait for your children at the designated entrance at East Hill or YLC. At that moment, we will accompany them outside and you will then be able to pick up your child. Please note that campers will not be dismissed to parents waiting in their cars. We ask that you pick up your children at the entrance. For those that have children at East Hill and at the YLC. Please pick up your child at East Hill FIRST.

You have a 30 minute “grace period”. Plenty of time so don’t stress 😊

Dismissal can become very hectic and we understand that finding a parking spot around the school and YLC may not be an easy task. However, for the safety of all our campers and to simplify the dismissal process, we ask that you please not double park in front of East Hill school and YLC entrances. Police will be doing regular checkups and issuing tickets. Don’t take the risk. Park your car and get some sunshine!

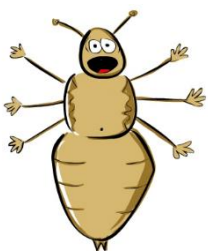

No NUT products allowed!

Due to many severe allergies, we ask you not to bring any products that contain or may contain peanuts, nuts or traces of any other nuts to camp. Parents who have children with nut allergies, please be advised that we cannot guarantee that our center locations and other children’s lunches will be nut free. We will be vigilant but please advise your child not to share or accept snacks and food from others. Please share with us the severity of the allergies.

Bullying Definition at the YLC summer camps

The approved interpretation of what our summer camps define as bullying is; *The conscious and deliberate and consistent effort by a camper or campers to belittle or damage the self-worth of another camper.*

“Teasing” or random name calling is not bullying. It is at times, a common situation by some children regardless of their age. The YLC is very attentive and supportive to those children who may be suffering from bullying at their schools. Please share any information about your child’s self-esteem and reputation at school. We will help them (if they are the bullies and/or getting bullied). Our goal is to empower each child in our care to become beacons of light who all have unique gifts and talents. All our campers will be reminded daily that they are all awesome kids!!!

Got Lice? Had Lice? Think your child has lice? Please alert your child’s coordinator immediately!

Do not send your child to camp unless they have had treatment for at least 3 days. Do not jeopardize the participation and attendance of our camps for other children! Lice spreads quickly in a big camp setting! We know that this may put your family in a difficult situation but it’s just the right thing to do! Please be aware that if as a camp team, we feel you have knowingly put other children in jeopardy, we will ask you to reimburse the days those affected children who have to miss camp days. Failure to comply will then have an effect on your child missing camp days. Please let us work together for a lice free summer! Thank you!

TWO TIPS: TIE THE HAIR IN A PONYTAIL AND WEAR A BASEBALL CAP EVERYDAY AT CAMP!
