Program FUNDRAISING 2023 **CAN YOU HELP?**

Dear friend of our community,

Greetings from the Don Bosco Youth Leadership Center in RDP, a non-profit youth community organization. Since 1997 we have been welcoming over 1000 youth every year in prevention, education, and leadership programming. We are supported by a wonderful team of leaders (50+) many of whom were once youth/teens in our programs and activities.

We are writing to you today about the possibility of having you join our sponsorship family. **We are looking for financial assistance with our 2023-2024 school year programs.** These programs include; junior and senior ball hockey and basketball program, Teen Spirit, Girls club, mental health support and moms and tots!

We are looking for an official sponsor for these different programs. An official sponsor would be a donation of **\$500** per program and would receive a **charity receipt for income tax purposes and publicity incentives.** All the money sponsored will be used to directly improve the selected program and offer an even more enriching experience to our children.

For more information, please do not hesitate to contact us.
In friendship,
