Get to know the Coordinator!

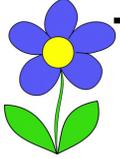

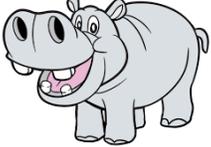

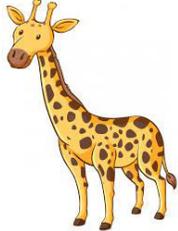

Hi Everyone:)

My name is Kristina Provost and I am the only coordinator for Smiley Bunch this summer. I have worked at the DBYLC summer camp for the past 7 years. I am also involved in the YLC programs during the year, for example the Youth Festival this year. Outside of the YLC, I am at McGill University in Kindergarten/Elementary Education.

This summer, I am very excited to meet all of the campers and ensure that they have a great summer. Many great activities and field trips are planned to make that happen.

For parents, I am more than happy to answer any questions that you have about summer camp and our centre during the summer. Don't be afraid to reach out
